

Ganesh Birajdar

Information technology Undergraduate

Education

B.Tech in Information Technology
St Francis Institute of technology

📅 December 2025 - present CGPA - 8.31

Class XII SSC
S.V.P.Junior College of Science & Commerce

📅 July 2022 - May 2024 Percentage - 77.83%

Projects

SWASTHYA

📅 September -2025

Live Preview: <https://sih-rho-liard.vercel.app/>

- Developing a full-stack Ayurveda-based health platform that provides personalized protein, nutrition, and wellness insights using interactive calculators and real-time health tracking. Built a dynamic and responsive frontend to increase user awareness and guide lifestyle improvement through Ayurveda principles. Implemented backend APIs for secure data handling, user profiles, and real-time updates. Collaborating in a 2-member team to plan

WHATSAPP

📅 October-2025

Live Preview: <https://whatsapp-three-amber.vercel.app>

- Developed a real-time personal chat app using React.js (frontend) and Node.js + MongoDB (backend) with features like instant messaging, real-time notifications, user presence status, and video call integration. Designed scalable APIs, managed database schema, and ensured secure and responsive communication across devices.
